About Manitex International, Inc.

Manitex International, Inc. designs, manufactures and markets a portfolio of highly engineered and customizable lifting, material and container handling equipment, spanning boom truck, telescopic, rough terrain and industrial cranes, reach stackers and associated container handling equipment, rough terrain forklifts, mobile liquid and solid containment solutions, and specialized trailers and mission oriented vehicles, including parts support. We have accumulated nearly a dozen brands since going public in 2006 and operate internationally through eight subsidiaries with design and manufacturing facilities in the USA, Canada and Italy.

Manitex Inc, in Georgetown, TX, manufactures a comprehensive line of boom truck and telescopic cranes and sign cranes, primarily used in industrial projects, energy exploration and infrastructure development, including roads, bridges, and commercial construction. Badger Equipment Company, in Winona, MN, manufactures specialized rough terrain and industrial cranes and primarily serves the needs of the construction, municipality, and railroad industries. Our Italian subsidiary, CVS Ferrari, srl, designs and manufactures a range of reach stackers and associated lifting equipment for the global container handling market. Our Manitex Liftking subsidiary is a provider of material handling equipment including the Noble straight-mast rough terrain forklift product line, Lowry high capacity cushion tired forklift as well as specialized carriers, heavy material handling transporters and steel mill equipment. Manitex Liftking's rough terrain forklifts are used in commercial applications and by the world's largest military and peace keeping organizations. Our subsidiary, Manitex Load King located in Elk Point, South Dakota is a manufacturer of specialized engineered trailers and hauling systems, typically used for transporting heavy equipment. Manitex Sabre based in Knox, Indiana, builds mobile specialized tanks for liquid storage and containment solutions for a variety of end markets such as petrochemical, waste management and oil and gas drilling. Manitex Valla located in Piacenza,

Italy, manufactures a full range of mobile precision pick and carry cranes from 2 to 90 tons, using electric, diesel, and hybrid power options with configurable special applications designed specifically to meet the needs of its customers.

Our Crane and Machinery division is a Chicago based distributor of cranes including Terex truck and rough terrain cranes, PM knuckle boom cranes and our own Manitex International brands. Crane and Machinery provides aftermarket service in its local market as well as being a leading distributor of OEM crane parts, supplying parts to customers throughout the United States and internationally. The division also provides a wide range of used and refurbished lifting and construction equipment of various ages and conditions as well as operating a rental fleet of equipment to the Tri-state area.
