About Manitex International, Inc.

Manitex International, Inc. is a leading worldwide provider of highly engineered specialized equipment including boom trucks, cranes, container handling equipment and reach stackers, rough terrain forklifts, and other related equipment. Our products, which are manufactured in facilities located in the USA, Canada, and Italy, are targeted to selected niche markets where their unique designs and engineering excellence fill the needs of our customers and provide a competitive advantage. We have consistently added to our portfolio of branded products and equipment both through internal development and focused acquisitions to diversify and expand our sales and profit base while remaining committed to our niche market strategy. Our brands include Manitex, CVS Ferrari, PM, Badger, Liftking, Load King, Sabre, and Valla. ASV, our Joint Venture with Terex Corporation, manufactures and sells a line of high quality compact track and skid steer loaders.
