

Manitex International, Inc. Will Participate in Stifel Industrials Research Conference in New York on June 15, 2017

BRIDGEVIEW, II., June 7, 2017 – Manitex International, Inc. (NASDAQ:MNTX), a leading international provider of cranes and specialized industrial equipment, today announced that management will participate in the Stifel Industrials Research Conference, being held at the Lotte New York Palace Hotel in New York on June 15, 2017.

Scott Rolston, Senior Vice President, of Manitex International will provide a corporate update to attendees in a group presentation at 3:00 PM in the Spellman Room, and will additionally be available for one-on-one meetings with attendees for the entirety of the day.

Investors are encouraged to contact their Stifel representative, or contact Peter Seltzberg, Investor Relations for Manitex, to request a meeting with management at the conference or for additional information on Manitex International, Inc.

About Manitex International, Inc.

Manitex International, Inc. is a leading worldwide provider of highly engineered specialized equipment including boom trucks, cranes, and other related industrial equipment. Our products, which are manufactured in facilities located in the USA and Europe, are targeted to selected niche markets where their unique designs and engineering excellence fill the needs of our customers and provide a competitive advantage. We have consistently added to our portfolio of branded products and equipment both through internal development and focused acquisitions to diversify and expand our sales and profit base while remaining committed to our niche market strategy. Our brands include Manitex, PM, Badger, Sabre, and Valla. ASV, our Joint Venture with Terex Corporation, manufactures and sells a line of high quality compact track and skid steer loaders.
